Larger volume pricing

For information on Caelo Software's Corporate Licensing Program visit the Corporate Users section of our website or send an email to sales@caelo.com.

Online purchase alternative

Orders of 1 to 99 copies are available for purchase online.

Upgrading your License

When you upgrade to a new seat level, only the difference between the levels is charged.

Nelson Email Organizer Software

The software may be downloaded from Caelo's website at www.EmailOrganizer.com at any time.

Licensed users are entitled to all version 3.x software upgrades free of charge. Upgrade prices to major product versions (e.g., V4) will be offered.

Registration Information

A single site license code will be issued for multiple seats. Each copy of the program must be registered individually with the provided registration code.
